A Happy New Year !

There is a magic witchery in these words for both the old and young. To those whose sun is west of the meridian they recall glorious visions of long ago. The call, the reception, the invitation to remain, con-veyed with such womanly tact as to make each particular caller imagine he alone was the favored one. The recollection of gracious interest evinced by the fairest rosebud in the garden of girls.

Dear boys, all this is in store for you. As our fa-thers lived and loved, so shall we. The chivalric deference paid to the girls of their time must not be neg-lected by us. It is therefore meet that we should appear at our best on New Year's Day, not to gratify our own vanity, but "just to please the girls." They go to much more trouble than we to look their sweetest "just to please the boys."

The Next Event of General Importance

Will be the celebration of New Year's Day. The unwritten law of fashion demands that gentlemen shall wear either A Full Dress or Prince Albert Coat.

Within a week we have placed upon our table a fine line of these goods that cannot be distinguished from custom-made garments that cost 50 per cent. more. The more conservative will wear Prince Alberts. Our lines of these are particularly choice, and whether you want a medium priced suit at \$25 or a fine English Corkscrew, silk lined, our stock is the place to look for it.

These goods cannot be duplicated at the price we are offering them. We have also determined to place on sale a very complete line of Lace and Madras Curtains, some of them of our own importation, at such low prices as to defy competition.
